

CITY LIMITS

Video Limits

Maciej Makalowski

April 6 – May 6, 2012

Opening reception: Friday, April 6, 8pm-10pm

The first ever show at City Limits is a collection of photographs by Maciej Makalowski.

Makalowski, who frequently uses portraiture in both his photographs and paintings, took hundreds of screenshots from movies and television shows, searching for ways to indirectly create portraits. The resulting "portraits" of actors, characters and media personalities are as recognizable as they are bizarre. The images, often bizarre, humorous or grotesque, provoke questions of authorship and the process of image-making itself.

Maciej Makalowski (b. Poznan, Poland in 1985) is a San Francisco-based artist. He holds an BFA from Penn State University and an MFA from the San Francisco Art Institute.
